OUR SERVICES

It's no secret... Standards of production, distribution, branding and marketing within the cannabis industry are on the rise. Despite this, so many business owners are resistant to making the necessary changes to keep up. We understand the complex challenges cannabis businesses are up against, and we are here to help!

CONSULTING

Our expert teams will show you how to obtain a license, build, set up, open, operate, and scale a successful cannabis business.

SPONSORSHIP

Be a part of our media sponsorship opportunities.

BRAND DESIGN

We pride ourselves in helping brands large and small communicate better with consumers. We believe beautiful design paired with a winning strategy is the key to brand success.

FULFILMENT

We cover logistics from manufacturing to Distribution centres.

PROCUREMENT

Our facility offers a wide range selection of flowers. Outdoors, light assist, indoors and exotics

PACKAGING

We specialize in a multitude of automated packaging areas and any packaged goods that fit your needs.

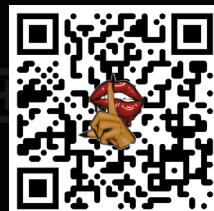

BULK EXTRACTIONS

Our manufacturing facility offers a wide range of BHO & Solvent-less extraction. We can create custom formulas to cater your brands needs and expectations

FILLING

High-speed and specialty production lines capable of filling any hardware in mass quantities.
